# Multicultural Aged Care Inc. (MAC)

**Multicultural Aged Care Inc. (MAC) aims to strengthen the ethnic community's capacity to develop and manage the care of their older people and to support and assist service providers to give older people, from culturally and linguistically diverse backgrounds, the services of their choice.**

In partnership with the Australian Government Department of Health and Ageing, under the PICAC (Partners in Culturally Appropriate Care) initiatives, Multicultural Aged Care Inc. provides:

- Identification of the special needs and barriers for accessing services for older people from diverse cultural backgrounds.
- Information to policy makers, service providers and other stakeholders about the issues affecting aged people from culturally and linguistically diverse backgrounds.
- Support for culturally and linguistically diverse communities and aged care service providers in the development of sustainable partnerships by way of clusters, ethno-specific or multicultural aged care services.
- Assistance to service providers to gain the knowledge, understanding and skills to deliver culturally inclusive services.
- Development of resources on culturally appropriate aged care.

- Promotion and encouragement for the participation of ethnic communities as an essential element in the planning, development and delivery of culturally appropriate services.
- Promotion of high quality care practices within the aged care sector.

The Home and Community Care Program funds Multicultural Aged Care Inc. through the Office for the Ageing to:

- Assist ethnic communities to develop and deliver services for their older people.
- Assist mainstream service providers to improve their responsiveness to the needs of culturally and linguistically diverse communities.

# Extended Aged Care at Home Packages

With priority of access to individuals from culturally and linguistically diverse backgrounds

The Extended Aged Care at Home (EACH) packages are individually tailored to provide high level care services which assist and support frail aged people to remain in their homes. To receive a package, a person must be assessed by an Aged Care Assessment Team (ACAT).
