Nguog <p>Apologies:</p> <p>Fr Jeremy Krieg – Greek Welfare Lan Nguyen – Vietnamese Association MCCA</p>
<p>RC reminded participants of MAC’s Sector Support and Development role for CHSP CALD groups.</p> <ol style="list-style-type: none"> 1) MAC provides a curated, one stop shop, clearing house Newpage on COVID 19 updates from State and Federal governments. Translations are available from a range of providers. The Webpage is updated daily, so COVID-19 information is current. www.mac.org.au/covid-19 2) Participants were encouraged to access MAC CHSP website for all information CHSP; and templates - www.mac.org.au/mas/chsp-2 - password: CHSPpapers2020 3) MAC provided CHSP update on flexibility for service delivery. Essential to keep business operating. Organisational Risk Management and COVID 19 Response strategy are required. Risk Management Policy/COVID-19 policy and procedures and essential workers notice templates are available on MAC CHSP Webpage. Shannon can assist with access. 4) RC informed the CHSP funded CALD priority providers that MAC is on the SA Premier’s Multicultural Communities CALD leaders group for COVID response and in addition the Operational Group, facilitated by Office for Ageing Well. MAC also participates at the national level. 5) Participants shared their current activities and their response to COVID 19 situation <ul style="list-style-type: none"> • Adele Gobble & Sr. Elda – Italian Cultural Centre – phone services • Agnieszka – MAC accessing physiotherapy services • Akos Nagy - Hungarian Caritas organised takeaways collected by family members • Carlo Tropiano – COASIT - sector support for Italians. • Edward Dudzinski - Fed of Polish Org is conducting phone services. Increase in meals requests. • Ilze Radzin – Latvian Aged Care AlbLaima – phone services and phone support and transport for medical appointments • Kam Chu – Chinese Welfare Services – phone services; reduction in domestic assist. Query about Job Keeper Payment eligibility. • Madeleine Williams – MACASA Meals Services is ongoing. Phone services • Maria Tkachuk - Association of Ukrainians in SA – Meals delivery. Priest bless food before 	

delivery

- Vicky Puleski – MCESS is seeking clarification with FAM on funding and service types. Plan to deliver fruit basket to clients and phone services

MJ reminded ACQS requirement that all food delivery/collectors handlers must be aware of food safety requirements. This is a requirement and Dept. of Health online infection control training modules are available on the MAC CHSP page.

Action:

- a) Request for Risk Management Strategy/COVID-19 Pandemic policy template to be made available
- b) Request for Essential Worker identification template

6) Collaborations: MAC is looking at applying for funding under the *unsolicited proposal* banner to support the coordination of targeted CALD meals delivery and other delivery opportunities and would be able to assist/support CALD groups deliver on their programs. If interested in exploring further, groups are invited to contact MAC
